FOR IMMEDIATE RELEASE:

PADDOCK HONORS OWN WATER SAFETY HERO

Paddock Employee Receives Presidents Award of Outstanding Community Service

When it comes to water safety and watching kids while around water, Paddock cashier, Christian Gedeon, quickly jumped into action after hearing splashing in Paddock's in-store, gated pool. He rushed to retrieve a 4 year old girl, who had strayed away from her parents, while they were working with a Paddock designer for a new swimming pool inside the gated area. "My heart was racing as I moved quickly to reach the little girl. I was so happy to be able to hear the splash.. Her parents were so thankful-they even gave me a gift card to Applebee's." said Chistian Gedeon, Cashier, Paddock Pools, Patios & Spas in Summerlin, Las Vegas.

In recognition and appreciation, Christian is being honored as a hero with Paddock's Presidents Award of Outstanding Community Service. "We are very pleased that Christian reacted quickly and was able to get her out of the pool in mere seconds. She was a bit scared by what happened-and, of course, very wet!" said David Ghiz, President of Paddock Pools, Patios & Spas
